That should be okay, I would think. Might want to also bounce off Carolyn?

Subject: Pat Rizzuto Follow up Qs

Hi Jennifer,

Pat had some follow up questions after your interview this morning. CPHEA drafter responses- are these okay?
We need help answering the last one.

What's the projected timeline for the IRIS formaldehyde assessment as it goes through internal EPA review, interagency review, public comment, peer review, and is finalized?

Ex. 5 Deliberative Process (DP)

Will the information in the draft IRIS assessment be used by the OCSPP for the TSCA risk evaluation?

Ex. 5 Deliberative Process (DP)

Who will the memo that Jennifer mentioned go to, and will it both invite chemical nominations for the IRIS program AND announce the formaldehyde assessment being restarted?

Ex. 5 Deliberative Process (DP)

Are there any other IRIS assessments ORD will restart? (*If memory serves there were four chemicals taken off the IRIS agenda in 2018*).

Ex. 5 Deliberative Process (DP)

LOGISTICAL QUESTIONS:

- About what time will tomorrow's memo be released, and will you be sending me a copy so I know it's out? **Essentially how will I know when the embargo on this interview/story will be lifted?**
Do you know what time the memo will go out tomorrow? Is it okay for us to send a copy to Pat once it's out?
